**St. Peter School**

A small school with a big heart and family spirit, St. Peter School is located in Aurora, IL. We offer an affordable, quality education to students in kindergarten through 8th grade. The gospel values are the foundation of our religious and academic education. Our faith community provides spiritual, academic, social, emotional, and physical growth for all students. St. Peter School students are encouraged to live their faith in words and actions.

Proceeds from our golf outing will allow the school to purchase new books, update the facility, and keep pace with society's ever-changing technology needs. A portion of the proceeds will go to the Michael Horton Sr. Education Fund which provides tuition assistance for those families in need. Your support will provide the children at St. Peter School the ability to further their education in a safe environment and aspire to reach their full potential. We thank you!

St. Peter School is a 501(c)(3) organization. All or part of your donation may be tax-deductible. If you would like tax information regarding your donation, please contact the school at (630) 892-1283 or email [office@stpeterschoolaurora.org](mailto:office@stpeterschoolaurora.org)
