**“Parent, Teacher and Child  
Working Together for Excellence”**

The purpose of this agreement is to commit ourselves to effectively educate our children to become caring, productive, responsible adults; and to ensure mutual cooperation and support between parents and school personnel.

I understand that the handbook is available on the school’s web site [www.stpeterschoolaurora.org](http://www.stpeterschoolaurora.org). We agree to support the standards which the St. Peter Catholic School Handbook contains. We believe that cooperation, support and understanding between students, parents, and school staff will provide a good learning environment in our school.

I understand that a copy of the handbook will be furnished upon request if I am unable to read or print one from the web site.
